<https://www.gov.uk/travel-to-eu-schengen-area>

You are responsible for obeying all laws, regulations and other provisions of public authorities related to entering Norway.

A common choice is a BA flight every Saturday from Heathrow to Gardermoen at 7.30am approx. There are many other options possible.

For anyone wishing to bring along their own ski equipment, then careful attention should be paid to reading the air travel company's Terms and Conditions for baggage and carriage of ski equipment; some companies may carry ski equipment for free, whilst others make a substantial charge – it pays to shop around!
